Product Description

Mühle is a traditional strategy game for two people.

Although Mill is based on simple rules, the game offers a countless number of strategic moves and is therefore interesting for beginners and advanced players alike.

The aim of the game is to form mills, i.e. three of one's own stones in a row. If a player forms a mill, he can capture one of his opponent's stones.

The winner is the player who has captured so many of the opponent's stones that the opponent has only two stones left, or if the player manages to block the opponent in such a way that the opponent can no longer move.

Attention! Not suitable for children under 3 years due to small parts that can be swallowed! Danger of suffocation.
