## Airbrush spare part, handle end piece (Master)

from **22,84 EUR**

Item no.: 365997  
shipping weight: 0.20 kg  
Manufacturer: Revell

### Product Description

Thanks to the opening in the handle end piece, you can simply pull back the needle to remove paint build-up in the nozzle instead of having to unscrew the entire handle end piece. This spare part is suitable for the following spray guns:

- Master Plus IDG 950
- Master Class PROFESSIONAL

Caution! Not suitable for children under 36 months.
