Product Description

Panic Lab offers you a great brain burner challenge. The dice are rolled to find out which amoeba is wanted and from which lab it escaped. It sounds easy, but the amoebae mutate and escape through the air ducts. Only with a cool head, sharp eyes and fast hands can you penetrate the lab tangle and emerge as the winner. Are you faster than your opponents?

Attention: not suitable for children under 36 months!

- Number: for 2-10 players
- Age: from 8 years
