

Item no.: 365968

Airbrush spare part, spray jet regulator 'Fine

from **12,58 EUR**

Item no.: 365968
shipping weight: 0.20 kg
Manufacturer: Revell

Product Description

In the spray gun, the atomisation of the paint takes place through the compressed air. If you want to convert your spray gun to the Fine nozzle size, please replace the nozzle (art. no. 365982), needle (art. no. 366007 Student 500, art. no. 366010 Profi 700), head (art. no. 365980) and spray jet regulator together.

For conversion, we recommend our complete spray jet attachment (head, nozzle and spray jet regulator).

Caution! Not suitable for children under 36 months.
