Product Description

The Military Ships acrylic paint set is the perfect choice for all fans of naval ships. With this set, you get six Aqua Color paints in handy 5 ml bottles that have been specially designed for building models in this theme area.

The set contains the six most commonly needed colours to create authentic and detailed models of naval ships. The paints are all acrylic-based, which means they dry quickly and are easy to mix. They are also water soluble and can be easily cleaned with soap and water.

The Military Ships acrylic paint set is perfect for modellers who have a penchant for naval ships and want to meticulously create their model in every detail. Get this set and let your creativity run wild!
