Product Description

Planet Unknown, board game, for 1-6 players, from 10 years (DE edition).

Greetings, planetary explorers! Earth's resources are exhausted. In the course of the space exploration programme, you have been chosen to open up unknown planets and thus secure the future of mankind.

Collect the most medals to win. To do so, efficiently expand your planet, advance on your resource bars, collect escape pods, eliminate meteorites and hold your own against the planets to your left and right.

The rotating space station (S.U.S.A.N.) is an all-rounder: It lets everyone choose your tiles at the same time and thanks to it, the game is not only quick to set up but also neatly stored in the box.

Notsuitable for children under 36 months.

- Number of players: 1-6
- Game duration: 70+ minutes
- Age: from 10 years
