### Product Description

Masters of the Universe: Battleground - Wave 5: Evil Warriors, (EN Expansion).

Webstor is a master of flight, using his stealth and skills to evade his enemies through clever manoeuvres. He is always on the lookout for new allies for his dark plans. The hoverbots come just at the right time - after all, these technological wonders are equipped with state-of-the-art sensors. Together they could land the biggest coups Eternia has ever seen. Use these new characters in your squads to drive your enemies to despair with new strategies.

Note: Assembly of figures and terrain required (these are not painted). Materials needed for assembly such as pliers, glue or paint are not included.

The Masters of the Universe™: Battleground base set is required for play.

Not suitable for children under 36 months.

- Number of players: 2
