Product Description

The acrylic paint set Military is the perfect choice for all fans of military vehicles. With this set, you get six Aqua Color paints in handy 5 ml bottles that have been specially designed for building models in this thematic area.

The set contains the six most commonly needed colours to create authentic and detailed models of military vehicles. The colours have been specially selected to meet the most common requirements when building models of military vehicles.

The six colours included are acrylic-based, which means they dry quickly and are easy to mix. They are also water soluble and can be easily cleaned with soap and water.

The acrylic paint set Military is perfect for modellers who have a penchant for military vehicles and want to meticulously design all the details of their model. The six colours in the set are perfectly matched and allow you to create realistic models of military vehicles. Get this set and let your creativity run wild!

Caution. Not suitable for children under 36 months. Legal minimum age: 8 years
