### Product Description

Cologne Cathedral is the cathedral of the city of Cologne and one of its landmarks. It is 157 metres high and thus the third highest church in the world. Construction of this Gothic masterpiece began in the middle of the 13th century and lasted until 1880.

Crafting fun for young and old! With the Revell 3D puzzles, world-famous buildings, imposing skylines or legendary vehicles can be assembled as three-dimensional models for everyone. The precisely die-cut foam components make assembly easy - no keber or tools are needed. Depending on the size and complexity of the model, the crafting fun ranges from a few minutes to several hours.
