Product Description

Here are 3 games at once:

1. wobble tower : The wobble tower is an exciting game of skill for the whole family. In this colourful variation, the bar is raised one notch higher. Roll the dice and pull out a block that matches the colour on the dice. Be careful not to collapse the pile.

2. dominoes: Dominoes is a popular classic game with game pieces for two to four players. Distribute the blocks among the players and place a matching picture on each of the previous domino blocks. The first player to place all the blocks wins.

3. pairs: The pairs game is excellent for training your memory. Turn the blocks over so that all the patterns are covered. Turn over one block at a time and then try to find the matching pattern. Try to remember where you last saw the same pattern.

Caution. Not suitable for children under 3 years due to small parts that can be swallowed! Danger of suffocation.
