

Item no.: 366008

Revell Needle (Large) Single Action, Airbrush Spare Part

from **13,24 EUR**

Item no.: 366008
shipping weight: 0.20 kg
Manufacturer: Revell

Product Description

The tapered needle tip opens and closes the paint flow inside the nozzle by moving the operating lever back and forth.

If you want to convert your spray gun to the nozzle size Large, please exchange the spray jet regulator (art. no. 38035), needle and the nozzle (art. no. 38075) together.

For conversion, we recommend our complete spray jet attachment (head, nozzle and spray jet regulator art. no. 38085). This spare part is suitable for the Spray Gun Student ISB 500, art. no. 39102.

Caution! Not suitable for children under 36 months.

- Needle (L) single action
