Product Description

The great Pharaoh Mino has died and his eldest son Pharaoh Mido succeeds him. Dissatisfied with the simple appearance of his father's pyramid, he wants a larger and more magnificent pyramid for himself. He commissions 2-4 master builders to each build him a pyramid studded with jewels. Whoever builds the most impressive pyramid will be appointed Vizier by the Pharaoh and blessed with unimaginable fame and wealth.

Use the dominoes to build your pyramids. Connect jewel symbols of the same type and create the largest possible areas of the same colour. In this way you will impress the pharaoh and collect valuable prestige points over the course of 4 building levels.
