Product Description

Dungeons & Dragons: The Yawning Portal, board game, for 1-4 players, age 12+.

The game "Dungeons and Dragons: The Yawning Portal" takes players to the tavern "The Yawning Portal" and invites both D&D experts and beginners to a new D&D experience. This iconic inn attracts adventurers who have one thing in common: They are hungry and have very special tastes. As the innkeeper of the tavern, the task is to match the dishes with the orders depicted on the hero cards. For each matching dish, players receive coloured gems (and points) as well as a bull's-eye bonus if the entire order has been fulfilled. By mastering additional tasks, you can grab more points. The player who has collected the most points at the end wins! The coloured gems that appear most often on the board score the highest value. So strategy is needed to influence the points. This D&D game is a great gift for D&D fans and beginners alike.

Not suitable for children under 36 months.
