Product Description

The Audi R8 LMS GT3 is an absolute classic of motorsport. The Ingolstadt-based car manufacturer is known and loved for its innovative designs and first-class performance. With numerous victories in a wide range of racing disciplines, the vehicle is convincing all along the line. The number 7 Audi from Team Abt Sportsline was driven by Ricardo Feller, who finished the season in a strong third place.

The slot car is a feast for the eyes in your Carrera racing stable. The true-to-the-original replica on a scale of 1:43 puts exactly the power you need on the track to beat your friends in the race.
