Product Description

The Squad Pack "For a Fistful of Credits" contains four highly detailed, unassembled and unpainted miniatures, three command cards, three battle style cards and three unit value cards to create a squad with the infamous Cad Bane, Aurra Sing and two other bounty hunters for the skirmish miniatures game Star Wars™: Shatterpoint.

Cad Bane's mind is just as fast as his finger on the trigger. He prefers to fight with two blaster pistols, but his arsenal of tricks and weapons is far greater. He can even take on members of the Jedi Order. At his side are crime lords like the Palliduvan Aurra Sing, a sniper known for her ruthlessness. Together they take down every target.

A base game of Star Wars: Shatterpoint is required to play.
