Product Description

After an extensive round of pen & paper with his friends, young Will Byers disappears without a trace on his way home. And this is only the first in a series of frightening events that will overtake the small town of Hawkins.

Stranger Things: Shadow World is based on the first two seasons of the hit Netflix series. In this cooperative game, you take on the roles of the main characters from the series to contain the supernatural forces and free Will from Shadow World.

Each season comes with its own game board page and card set. Use the cards to move through Hawkins, collect items, gain allies, escape from a secret government facility, fight the horrors from the shadow world and, along the way, prove that nothing is stronger than friendship.

Caution. Not suitable for children under 36 months.

- Number of players: 2-4 players
- Age: from 12 years
