Product Description

Katamino Family is a masterful educational game! It is not only a brain game for all ages, but also a duel between young and old: who manages to fill their playing area with the stones the fastest? Players can also try their hand at the solo variants and discover thousands of possible combinations!

With the variety of game modes and difficulty levels, you can play several games in a row and bring the whole family together for unforgettable moments. Whether novice or expert, alone or in company, Katamino Family will delight children and parents alike.

Caution. Not suitable for children under 3 years.

- Age: from 3 years
- Number: for 1-2 players
- Duration: from 15 minutes
