## Product Description

The vehicle for true motorsport enthusiasts! Because Team Schubert Motorsport was able to celebrate twice at the end of the 2022 DTM season: after the racing team had already secured the team title before the last race, things got even more exciting in the final race in Hockenheim. After a mass crash, only 12 cars were able to start the final race. Among this competition, South African Sheldon van der Linde drove to third place - and thus claimed the trophy of DTM Champion 2022. A real winning car for you!

The slot car is a feast for the eyes in your Carrera racing stable. The true-to-the-original replica on a scale of 1:43 has exactly the power you need to beat your friends in the race.

Caution: Not suitable for children under 36 months. Not suitable for children under 36 months.
