Product Description

The Carrera GO!!! "DTM Power Lap" set you have the choice of two greats of modern racing. Choose the car driven by DTM winner Sheldon van der Linde from Team Schubert Motorsport in his BMW M4 GT3 with the number 31 or Ricardo Feller in the Audi R8 LMS GT3 evo II from Team Abt Sportsline. The 1:43 scale slot cars are controlled by wired hand controllers, where you can put your driving skills to the test!

The true-to-the-original vehicles on a scale of 1:43 look confusingly similar to their prototypes from the DTM racing series. At home you can now show who deserves the title on the 6.3 metre Carrera racetrack with long straights, fly-overs, junctions and an impressive loop.

Caution! Not suitable for children under 36 months.
