Product Description

Pact with the Devil is THE card game for fucking awesome parties, where players score points by guessing what the others would decide in a three-card pact with the devil. There will be heated discussions and surprising revelations here as players have to decide whether to engage in pacts like this: You can control the weather BUT every time you fart you get a nosebleed. In this damn party game, every choice is a pain!

- THE card game for fucking awesome parties
- Never-ending dilemmas through 10,800 possible pacts
- Discussions and surprising decisions are inevitable
- Special rules for the game for two
- Age: from 16 years
- Number: for 2-10 players
- Duration: from 20 minutes
