Product Description

The Sidekick 100+ is complemented by an exclusive and extra large variant that holds 100 conventional double-sleeved cards and offers additional space for tokens. The Convertible series was developed for a completely new presentation of the cards. The lid can be removed and attached to the underside or the box can be tilted in a variety of ways.

Fits 100 double-sleeved cards in extra thick inner sleeves.

Exclusive colour combination: Elegant outer material in blue Nexofyber with soft orange microfibre on the inside.

- Designed to hold up to 100 double-sleeved cards in extra thick inner sleeves
- A variety of ways to present and tilt the open box
- 100% compatible with Convertible Boxes, such as the Dungeon
- Exclusive colour combination: blue/orange
