Product Description

Blazing hot: the Carrera EVOLUTION "Flames and Fame" set is ready for a duel on the racetrack. It is led by the Mercedes-AMG GT3 Evo "Sunenergy1 Racing, No.75" with the eye-catching flame print on the bonnet. His opponent is the chic KTM X-BOW GTX "Marek Rybni?ek, No.104" in white-blue-red paint. Driver Marek Rybni?ek took part in hill climbs such as the Ecce-Homo Sternberk with this vehicle.

The vehicles, equipped with front and rear lighting, can be driven in both Beginner and Advanced mode. You can therefore adjust the speed of the racers to your own ability at any time. The cars feature front and rear lights on the 5.3-metre-long car racetrack. Can you handle the hand controller best and outdo your teammate in the competition?
