### Product Description

Designed to encourage hours of limitless creativity, fun and learning through PLAY, the Pastel Creative Pack features a variety of shapes in 8 pastel colours. It is a great starter option for family play, building BIGGER Connetix creations and expanding the range of colours your children recognise!

Whether playing independently or with friends and family, the 120 piece Pastel Creative Pack encourages STEAM learning and the development of fine and gross motor skills. Watch as children create bigger castles and rockets, towers, coin drops, bridges and mandalas, explore patterns and shapes, create colour sorting boxes, plus so much more. The Pastel Creative Pack will also support the development of perseverance and resilience as children design larger scale builds, testing the limits of their imagination.

As an open-ended quality toy, Connetix will grow WITH your child as they learn and their play becomes more complex. Expand your collection and complement your 120 Piece Pastel Creative Pack with the 202 Piece Pastel MEGA Pack and 40 Piece Pastel Geometry Pack.

Each pack includes:

- 8x Large squares
- 48x Small squares
- 16x Equilateral triangles
