

Item no.: 370834

300056535 - Model part, 1:14 aluminium clutch lever plate 2/3 axle

from **20,01 EUR**

Item no.: 370834
shipping weight: 0.20 kg
Manufacturer: TAMIYA

Product Description

Aluminium parts give a more authentic, heavier feel compared to standard kit plastic parts. This clutch lever plate is a part of the clutch unit of R/C tractor-truck models and allows the use of separately available support legs. The aluminium part gives the Tamiya R/C tractor-trucks a more realistic look.

- 1x aluminium clutch lever plate
- Screws and other small parts necessary for mounting are included in delivery
- Compatible with 1:14 scale RC tractor trucks
- Note that this part can also be attached if separately available support legs are not used

Caution. Not suitable for children under 36 months.

- Scale 1:14
- Age recommendation: from 14 years
