Product Description

Tichu, card game, for 4 players, from 10 years

TICHU has become one of the modern classics. As a partner game, where the players try to be the first to get rid of their cards, it requires empathy from the players. An exciting game, which is nevertheless characterized by its ease and the typical wink of a mirage game. As a small bonus there is also the game "One is always the A...", a game about justice!
