Product Description

Bank Alarm, Card-/Figure Game, for 2-4 Players, from 7 Years

Your team: The hacker, the money man, the scout, the explosives expert ... and the mysterious boss.

Your mission: The bank robbery of the century! You go in the bank, you do what the boss tells and you're out in less than 5 minutes... and nobody gets hurt!

Your strategy: You are professionals and you are fast... and if you do what the boss tells to do, you will have the money for sure. Listen carefully to your boss and don't ask questions. He knows what to do and he knows when to do it. Follow his instructions and crack the safe. If you work together and don't make any mistakes, you'll be rich beyond your wildest dreams. But if you screw up, the alarm goes off!

The tension rises with every action. And with every second that goes by, the tension becomes more tangible: Successful booty call or not? Coal or jail?

Bank Alarm is a cooperative game against time in 5 difficulty levels.
