Product Description

Zwergenbinge-1: Der Rothornpass - extension for Lord of the Rings: LCG, card game (DE), for 1 to 2 players, ages 13+

The players leave on a journey through the mountains that is full of surprises. Arwen has the desire to visit her father Elrond. So Celeborn asks the heroes to accompany them and bring them safely over the Misty Mountains to Rivendell. But it's late in the year and a sudden cold has settled on the three peaks that guard the Rothorn Pass.

The Rothorn Pass is the first expansion of the second plot cycle of adventure packs. The first pack of the Zwergenbinge cycle consists of 60x cards, including a new scenario and 3x issues of new player cards. This expansion thus continues the adventure that began in the Khazad-Dum expansion. The plot begins with an exciting journey into the Fog Mountains.

The Lord of the Rings: The card game is an unusual LCG that can be played both alone and in a team. So gather your community and go on a great adventure!
