Product Description

The Tower - 4th extension for: Carcassonne (DE), ages 7+

In the 4th extension to the bestseller Carcassonne - the game of the year 2001 - is in built the height. The influential lords of the country are now building towers to strengthen their power and influence in the area. Their followers keep watch on the towers and notice anyone who comes too close to them. If an opposing henchman is caught, he will be taken prisoner. The followers come back home through a prisoner exchange. And if the followers are really scarce, prisoners can also be ransomed.

In addition to new game ideas that require even experienced Carcassonne players new tactics, this expansion contains a tower as a stable and atmospheric card dispenser that can be used for all Carcassonne games.
