Product Description

6 Nimmt - Junior, Card Game, for 2-5 Players, from 5 Years

On the recommendation list for the "Children's Game of the Year" 2009.

In this card game, young farmers have to quickly get all the animals into the stables before the approaching downpour. To make sure there is enough room for all the ponies, goats, rabbits, ducks, chickens and even mice, the animals have to be divided into the different stables.

With "6 takes! Junior", a junior version of the successful card game classic "6 nimmt!" has now been created, which - lovingly and child-oriented - is in no way inferior to the original. By the way, for especially eager hobby farmers, the game rules include two additional game variants for additional fun and variety.

Attention! Not suitable for children under 36 months. Legal age: 5

- Player: 2 to 5 Players, from 5 Years
- Playing time: 20 minutes
