Product Description

Japan and Italy Map Collection 7 - Extension for: Zug um Zug, from 8 Years

Jet in an express train through Japan and admire the Fujijama in the fog. Maybe you also prefer big cities and the subway in Tokyo is more to your taste. On this game board, you're faced with a difficult decision, as some routes are reserved for the high-speed network, and once they've been used, all players can use them for their Destination Tickets. On the other hand, the biggest bonus is for the player who contributes the most to the network...

In addition, the game plan "Italy" is included, which focuses on the regions of this country and a new type of ferry routes. Connect cities of all regions in one route for extra points!
 Note:

- This game is an add-on for Train to Zug(TM) and cannot be played alone.
- It can only be played in combination with Ticket to Ride Zug(TM) or Ticket to Ride Europa(TM).

Attention! Not suitable for children under 36 months. Legal age: 8

- Player: 2 to 5 Players, from 8 Years
- Playing time: 30 to 60 Minutes
