Product Description

dominion - nocturne extension You have always been a nighttime, recently you even think about becoming a vampire. There are a lot of advantages: you do not agree, you do not have to see yourself in mirrors yourself; If someone requires you that you can do something specific, you can turn yourself into a bat and then say: I'm sorry, I'm a bat. Dominion - Nocturne, the 11th Extension for Dominion, includes 500 cards, with 33 new kingdom cards. There are also nightcaps that are played after the purchase phase. Heirlines replace the copper allowance from the start of the game. Destinations and spoiling cards bring blessings and cursings. And there are a number of other cards that come into play through certain triggers. Attention: To play the basic game is needed! Dominion (R) - Nocturne Extension, a game for 2 to 4 Player aged 13 to 100 years.
