### Product Description

TZAAR, board game

In TZAAR, each of the two players starts the game with 6 Tzaars, 9 Tzarras, and 15 Totts. On your turn, you need to decide whether to capture your opponents pieces or to strengthen your own position. That is the dilemma. And the decision is not always easy, because once you lose your last Tzaar, Tzarra or Tott, you also lose the game.
