Product Description

Cavemen - the discovery of the fire Cavemen: The discovery of the fire is a card drafting game in which the players slip into the roles of tribal channels. The tribes compete for the opportunity to hunt dinosaurs, recruit more tribal members, and discover new technologies. The first one who acknowledges enough knowledge and prestige to invent the fire rings the age of modern humanity! Cavemen - the discovery of the fire, a game for 2 to 5 players aged 13 to 100 years.
