Product Description

Rumble in the House, Boardgame, 3-6 Players, from 8 Years

Living in a house together is not easy. If the space is too tight or the pizza is scarce, it can get really crazy!

In your turn you either move one piece or let 2 pieces compete against each other in the same room. When only one piece remains, all of them reveal their secret identities and get points. The longer your piece has withstood the chaos, the better!

Simple rules, nasty moves - great fun!
