Product Description

Dungeon Lords, Board Game, for 2-4 Players, from 14 Years

Dungeon Lords is for people who want to find out what it means to build and run a dungeon. Where are you going to get all those servants and monsters? How are you going to keep them happy? And how does it feel to have a bunch of do-gooders trying to undo all that work? Are you ready for that challenge?

Dungeon Lords is a game for two to four aspiring dungeonmasters. They will dig tunnels, mine for gold, recruit monsters, set traps and take care of all the things that make a decent dungeon. Sometimes you'll have to get really angry to get what you want? but the angrier you get, the stronger heroes will be attracted to your dungeon. And they will try everything to destroy what you've built up with difficulty. In the end, it's what you've achieved in building and defending your dungeon that counts.
