### Product Description

Do you look like your dog? - Memo (DE), for 2 players, ages 4+

In this funny memo game, dog and owner have to find each other. 50 cards show funny photos of dogs and their owners with humorous texts in an enclosed booklet that contains descriptions of the 25 dog owners and their hairy friends. Why do people even look like their dogs? Are they common personality traits, barely suppressed narcissistic tendencies, or do they grow together over time like old married couples? This game explores the intense bonds we develop with our dogs.
