Product Description

AT-RT - Expansion for: Star Wars Legion (DE), ages 14+

Prepare everything for a ground attack! - General Rieekan

This expansion for STAR WARS: LEGION contains 1 highly detailed AT-RT miniature (enough for a support unit) as well as new unit and upgrade cards.

From the battlefields of the Clone Wars Some converted AT-RTs came into the possession of the alliance via the workshops of the rebels. Lighter armored than other ruffs, their focus is on agility and off-road capabilities. Low walls and barricades are no obstacle for them. They also have a flexible weapon mount that can be adjusted depending on the battle.

Contains unpainted miniatures. Assembly required.

Warning!Not suitable for children under 36 months. Legal minimum age: 14

- Players: For 2 players, ages 14+
- Duration: 120 - 180 minutes
