Product Description

EXIT - Das Spiel: Die Känguru-Eskapaden, Escape game (DE), for 1-4 players, ages 12+

News from the successful series EXIT - Das Game! This time it's going to be clever, funny and cheeky, because the kangaroo escapades are all about the funny marsupial known from the kangaroo chronicles of bestselling author Marc-Uwe Kling. In this escape room game for at home, the so-called Schnuffies have to pass the admission test to the anti-social network. It's not that easy at all, which is why team spirit and lateral thinking are particularly important in this game for adults. An unusual EXIT adventure with puzzles for advanced users.

The escape room feeling for at home! With EXIT - Das Spiel, the players with a little talent for combination, team spirit and creativity gradually discover more and more objects, crack codes, solve puzzles and thus gradually get closer to their goal. Unusual paths also have to be treaded: The material can be bent, labeled or cut up. Changing the material in particular enables a particularly exciting, unique and amazing gaming experience. That makes the game evening an absolute highlight! In the world of the kangaroo bestseller by Marc-Uwe Kling.
