Product Description

Creatures of Darkness - Exp. for: Lord of the Rings Journey through Middle-earth

Whether you take on the new challenges of the Ghosts of Thal campaign or re-explore the trials of the Dark Paths campaign, you'll face powerful villains like Ollie the Troll or the Disciple of Morgoth. With the Creatures of Darkness character pack, you can bring these villains to life with new premium characters. Also included is another mysterious and eerie shadow from The Ghosts of Thal.

Against such powerful enemies, the group must be specially prepared. Fortunately, Creatures of Darkness also includes new equipment, including an additional copy of the Knife (and new upgrades for it) and a brand new piece of jewelry. Combine these useful items with three new titles and your adventurers should be more than ready to face the challenges of darkness.
