**Product Description**

Two-colored action cards Upgr. (5 + 1 card) - Expansion for: Mage Knight (DE)

The two-color action cards are five cards for the game Mage Knight, which were included in the Ultimate Edition for the first time. Now the cards are also available to owners of older editions.

And this is how the action cards work: The stronger effect can be paid with either of the two mana colors shown. When a player discards such a card as part of another effect he is playing, he chooses which of the two suits it counts as. Otherwise it counts as both colors, e.g. B. with regard to enemy resistance or mind reading during magic.

Warning! Not suitable for children under 36 months. Legal minimum age: 14
