Product Description

Insert - For Russian Railroads, incl. Expansions: German Railroads, Russian Railroads: Mini-Expansion

This insert is designed to be compatible with Russian Railroads, and includes space for the German Railroads expansion. The design provides both efficient storage and improved game play. Many of the trays can be utilised during the game, and they greatly aid set-up and clear-away times. The boards and player boards act as a lid on top of the trays. In addition, the playing cards can be equipped with sleeves, for which the compartments offer sufficient space. In addition, the insert offers the possibility to storage the Russian Railroads: Mini-Expansion.

The insert has two special trays each for locomotives, engineers, game pieces, cards, coal wagons and expansions. There are also four trays for player pieces.

As mentioned, all the trays can be used during the game to organise the components and make access by all players easy.

Attention! Not suitable for children under 36 months.

Note: This insert is designed for games with external box dimensions of 22.7 x 31.5 x 7 cm.

This product consists of a flat-pack of 4x Evacore sheets. The trays require assembly, which is quick and fun, using ordinary PVA glue. Detailed instructions are included in the package.

Attention: The game must be purchased additionally. The content of the trays on the pictures is not included!
