Product Description

Insert - For Eldritch Horror

The insert is compatible with Eldritch Horror and includes space for a single small box expansion like Forsaken Lore.

The design provides both efficient storage and improved game play. All of the trays can be utilised during the game. They greatly aid set-up and clear-away times. The boards and player boards act as a lid on top of the trays.

If all your cards are sleeved you need to stack the character standees and monsters together, to free up one of the tray spaces. This space can store the remaining cards not stored in the two large card trays.

Attention! Not suitable for children under 36 months.

Note: It is designed for games with external box dimensions of 30 x 30 x 7.6 cm.

This product consists of a flat-pack of 4x Evacore sheets. The trays require assembly, which is quick and fun, using ordinary PVA glue. Detailed instructions are included in the package.

Attention: The game must be purchased additionally. The content of the trays on the pictures is not included!
