Product Description

Insert: Everdell

The Insert is compatible with Everdell including all Collectors Edition content and the Pearlbrook, Bellfaire and Spirecrest expansions. The design provides both efficient storage and improved game play. Many of the trays can be utilised during the game, and they greatly aid set-up and clear-away times. There is space for all cards to be sleeved.

Note that the insert fills the game box, and it is intended that the game boards, scorepad, Ever Tree and other large tiles are stored in one of the expansion boxes.

Attention! Not suitable for children under 36 months. The game must be purchased additionally. The content of the trays on the pictures is not included!
