Product Description

Ratnaraj - Die Knobelpfade, Board Game, for 1 player, aged 8 and older

Once upon a time, in a distant land, there lived the astute King of Gems, also called Ratnaraj. The only thing he loved more than gems, emeralds and rubies was solving puzzles. He was very bored, as he cracked every puzzle and riddle in the land in no time. Then the queen had a mysterious puzzle game made of diamonds. It had no less than 32,000 possible combinations and challenges to dispel the king's boredom once and for all. Are you also up to the tricky puzzle game? Follow the direction of the ruby red signposts and place a magnetic number jewel at each crossroad. There is always one solution! But beware, it is impossible to get enough of Ratnaraj!
