Product Description

Carcassonne: Jäger und Sammler - Board Game, 7 years and up (DE expansion)

Klaus-Jürgen Wrede takes the players with Carcassonne Hunters and Gatherers into the distant past. Where the famous Carcassonne castle walls will later stand, mammoths and saber-toothed tigers now live, hunters and gatherers live a meager life.

The players become hunters, gatherers and fishermen of the early days of Carcassonne and receive points for fish in rivers, for game in meadow clearings, for dark forests in which luminous mineral resources are hidden and they get points for small wooden huts, which they strategically place in the prehistoric world of Carcassonne they have designed.
