Product Description

Insert: Imperial Settlers + Expansions

Insert compatible with Empires of the North, and Barbarian Hordes, Roman Banners, Japanese Islands and more expansions. There is space for 1,000 sleeved cards in total, more than the current releases for the game. The design provides both efficient storage and improved game play. Many of the trays can be utilised during the game, and they greatly aid set-up and clear-away times.

The trays are arranged in up to three layers. Note that the large clan tiles are stored vertically adjacent to the long token trays.

Attention! Not suitable for children under 36 months. The game must be purchased additionally. The content of the trays on the pictures is not included!
