Product Description

MAXI PLUS - Bag for Warhammer Underworlds: Nightvault, 8 Warbands

Powerful warrior-mages who wander through Shadespire in the name of Sigmar, to free the city from the curse of Nagash. Barbarians in search of new victims for the Chaos Gods. An overtired, grumpy Troggoth in search of a place to sleep.

The second season of Warhammer Underworlds shines again with an entertaining range of warbands. So that they all arrive safely at the tabletop, we have the MAXI PLUS bag, filled with all Feldherr foam inserts for your eight warbands.

From Averon Stormsire and his golden boys to Zarbags scurrying Goblin crowd, every squad gets a custom made Feldherr foam tray.

Each compartment is individually tailored to the miniatures. The models are safely embedded in soft foam. Sensitive details are optimally protected against damage.

The precise cut guarantees that the figures do not slip around on the way. Painted warrior models are spared from scratches, abrasion and chipped paint.

A further compartment is reserved under each figure for the power and character cards. This one is equipped with a finger-wide recess to make it easier for you to get the decks out. Up to 40 pieces fit in here, of course also with sleeves. Deck boxes fit as well. Dice and tokens can be sorted into the remaining four compartments.

Finally, the supplied foam topper ensures that your figures are securely packed all around and that they survive the transport to the Mirrored City unharmed.

The Feldherr MAXI PLUS bag is made of particularly robust fabric. Padded side panels and a reinforced bottom additionally ensure that all of its contents are optimally protected from external influences even when transported by car or train.

Besides the large main compartment, the bag has a small zipped pocket at the front. Here you can store for example writing material, rules and other smaller things.

There is an easy-grip carrying handle on the top. If you prefer to keep your hands free, you can also carry the bag as a shoulder bag thanks to the sturdy, removable shoulder strap. Attention! Not suitable for children under 36 months.
