## Product Description

Mixtett - Disney Mickey+ Friends, Card Game (DE/FR(IT) + Figurine Pluto, from 5 Y.

Go with Pluto and his friends on an exciting map hunt. A pinch of luck, tactics and a good memory are required. Each mixtet game includes a great 3D Disney character, which is the focus of the game and at the same time serves as a character.

The mixtets of Mickey+ Friends can be combined with each other. The more games you have, the more characters, cards and figures come into play and the more players can join

How to play: The quartet and action cards are shuffled and laid face down in a circle. The Disney character is placed on any card and moved across the cards with each roll of the dice. The card the character lands on is turned face up. The goal is to find the 4 matching quartet cards to your own character cards. But beware. The action cards can make quite a mess of the game.
