Product Description

Lost Cities Roll & Write, board game (DE), for 2-5 players, ages 8+

Let's go on an adventure! Six expeditions must be advanced as far as possible. Symbol color cubes reveal which row will be pursued further. Get to the dice cups!

Use the number die to determine the value and write it down on the game sheet. Attention: the numbers do not always really help the players in the dice game. Anyone who lands on the acceleration fields or finds artifacts can be happy.

If you enter your numbers cleverly, you have a good chance of arriving at this game quickly. With its handy format, this family game is a great little gift and souvenir.

Warning! Not suitable for children under 36 months. Legal minimum age: 8

- Players: For 2 to 5 players, ages 8+
