Product Description

Dice Flick, Dice Game, for 2-4 Players, from 8 Years

Well flicked is half-way won in Dice Flick: In the game 2 to 4 players compete to score the most points in ten rounds. To do so, they draw dice from a bag each turn and flick two of them onto the playing area, which is mounted inside the game box.

Three adjacent dice of the same color can be scored and are returned into the bag. Dice landing in the middle of the board grant double the points and can even be scored by themselves. While white dice serve as jokers, the pink, glittering dice trigger a special scoring. Players who make best use of the dice's abilities and have good aim are bound to win the game.

Open the box and start playing –Dice Flick plays just as quickly as it is set up. That leaves more time to play: Draw some dice and flick your way to victory with a little bit of luck and a lot of dexterity. Even if the dice did not fly right – a game lasts 15 to 25 minutes, so there is always time for a rematch.

Attention! Not suitable for children under 36 months. Legal age: 8
